

Citizens Bancorp of Virginia, Inc. announces the Election of New Director

Citizens Bancorp of Virginia, Inc., parent company for Citizens Bank and Trust Company (Member FDIC), is pleased to announce the election of its newest Director, Dr. Anne Courtney Wells Carr.

Dr. Carr, 50, is the owner of Blackstone Animal Clinic, LLC in Blackstone, Virginia. Blackstone Animal Clinic is a full service veterinary facility assisting Southside Virginia pet owners for over 11 years.

The clinic's services and new 6,500 square foot state-of-the-art facility are designed to assist in routine preventative care for young, healthy pets, early detection and treatment of disease as your pet ages, and complete medical and surgical care as necessary during your pet's lifetime.

Dr. Anne Carr is a 1986 graduate of Virginia Tech in Blacksburg, Virginia where she received a Bachelor of Science degree in Biology. Dr. Carr received her Doctor of Veterinary Medicine degree from the Virginia-Maryland Regional College of Veterinary Medicine at Virginia Tech in 1990.

Dr. Carr is a native of Chesterfield County and currently resides in Nottoway County, Virginia with her husband, Ronald Scott Carr, and their three sons, Nick, Ben and Jay.

The Corporate Governance and Nominating Committee of the Board of Directors nominated Dr. Anne Carr after careful consideration of her qualifications in meeting the requirements detailed in the Company's Corporate Governance and Nominating Committee Charter. The Board of Directors also determined that Dr. Carr's community involvement and business affiliations would serve to enhance the Bank's representation throughout the communities it serves.
